

## Stock Control Arms

This kit requires you to select whether your vehicle has aluminum, stamped, or steel factory control arms. To ensure proper fitment, please check your factory components and select the appropriate option before adding this product to your cart.

### Steel Cast Control Arms

Steel control arms are offered on 2007-up models and have a BLACK finish. A magnet will stick to steel arms.

### Aluminum Cast Control Arms

Aluminum control arms are offered on 2014-up models and have a GRAY finish. A magnet will NOT stick to aluminum arms.

### Stamped Steel Control Arms

Stamped Control Arms are offered on 2016-up models and feature welded seams, a rounded steel construction, and a concave sway bar pocket. They have a BLACK finish and a magnet will also stick to stamped arms.
