Instruction Manual P/N: 77-52001

Make: **Dodge** Model: **RAM 2500/3500** Year: **2005-2007** Engine: **L6-5.9L (td) Cummins**
Transmission: **48RE**

- Please read the entire instruction manual before proceeding.
- Ensure all components listed are present.
- If you are missing any of the components, call customer support at 951-493-7100.
- Ensure you have all necessary tools before proceeding.
- Do not attempt to work on your vehicle when the engine is hot.
- Disconnect the negative battery terminal before proceeding.
- Retain factory parts for future use.

Label	Qty.	Description	Part Number
A	1	Module	77-52001
B	2	Velcro (2" inches)	05-01244
C	6	Cable Ties	05-60167

Note: Legal in California for use on race vehicles only. The use of this device on vehicles used on public streets or highways is strictly prohibited in California and others states that have adopted California emission regulations.

Figure A

Refer to Figure A for Step 1.

Step 1: Mount the module in a safe location, such as on top of the fuse box, using the provided Velcro strips. Then run the harness down towards the transmission, staying away from any extreme heat or moving parts.

Figure B

Refer to Figure B for Step 2.

Step 2: Locate the TTVA. It is on the driver side of the transmission.

Figure C

Refer to Figures C for Step 3.

Step 3: Disconnect the stock harness from the TTVA connector.

NOTE: There is a red locking tab on the connector that must be slid down before the connector will release.

**Figure D****Refer to Figure D for Steps 4-5.**

Step 4: Connect the male end of the aFe harness to the female TTV connector, and the female end of the aFe harness to the stock harness male connector.

Step 5: Secure the harness away from heat and moving parts using the provided ties.

NOTE: Make sure connector is fully engaged. Usually, connectors make a snapping sound when fully engaged.

**Figure E****Refer to Figure E for Step 6.**

Step 6: The LED represents which setting the module is in.

- No Light: OFF
- Yellow: Stage 1
- Red: Stage 2

Thank you for choosing aFe POWER!

Warranty

General Terms:

- aFe warrants their products to be free from manufacturer's defects due to workmanship and material.
- This warranty applies only to the original purchaser of the product and is non-transferrable.
- Proof of purchase of the aFe product is required for all warranty claims.
- Warranty is valid provided aFe instructions for installation and/or cleaning were properly followed.
- Proper maintenance with regular inspections of product is required to insure warranty coverage.
- Damage due to improper installation, abuse, unauthorized repair or alteration is not warranted.
- Incidental or consequential damages or cost, including installation and removal of part, incurred due to failure of aFe product is not covered under this warranty.
- All warranty is limited to the repair and/or replacement of the aFe part. To request Return Goods Authorization ("RGA"), email RGA@afepower.com or call (951)493-7100. Upon receipt of the RGA, you must return the product to the address provided in the RGA, freight prepaid and accompanied with a dated proof of purchase and the RGA. Upon receipt of the defective product and upon verification of proof of purchase, aFe will either repair or replace the defective product within a reasonable time, not to exceed thirty days.

Product Category	P/N Prefix	Warranty duration
Direct OE Replacement Filters	10, 11, 30, 31, 71, 73	Life of the vehicle
